WHO WE ARE

Versa Solutions is a trusted provider of high-quality janitorial, sanitation, cleaning, and industrial supplies for businesses across commercial, industrial, educational, manufacturing, and healthcare sectors. We deliver comprehensive facility and operational solutions designed to keep organizations running efficiently, safely, and in full compliance.

Our extensive product portfolio includes commercial cleaning chemicals, disinfectants, degreasers, floor care equipment, paper goods, dispensers, and waste management products—as well as a full suite of industrial supplies such as packaging materials, abrasives, industrial cleaners, contractor bags, PPE, and essential workplace consumables. By supplying both janitorial and industrial products under one roof, we streamline procurement for businesses looking to reduce downtime and improve supply chain efficiency.

Versa Solutions partners with top-tier manufacturers to offer reliable, OSHA-, CDC-, and EPA-compliant products tailored to the needs of property managers, manufacturers, contractors, schools, and service providers. Our team provides expert support, fast delivery, and customized recommendations that help organizations maintain cleaner facilities, safer workplaces, and more productive operations.

From bulk purchasing and subscription-based restocking to emergency resupply, we are committed to being the most responsive and dependable supply partner for organizations seeking cost-effective, high-performance janitorial and industrial solutions.

Versa Solutions. Powering Productivity.

OUR VALUES

Customer Commitment: We're dedicated to our customers, striving to meet and exceed their expectations at every turn, whether supporting industrial operations or enhancing home environments.

- ✓ **Quality:** Our commitment to quality spans every product in our catalog, from industrial tools to homeware, ensuring reliability and satisfaction.
- ✓ **Integrity:** Transparency and honesty are at the heart of all our interactions. Whether you are negotiating a contract or making an inquiry, you can expect the highest ethical standards.

OUR MISSION

At Versa Solutions, our mission is to empower businesses with the essential supplies, expertise, and service they need to operate safely, efficiently, and with confidence. We are committed to providing high-quality janitorial, sanitation, and industrial products that enhance workplace cleanliness, improve operational productivity, and support long-term facility performance.

We strive to simplify procurement through reliable delivery, knowledgeable support, and a comprehensive product offering that enables our customers to consolidate vendors and reduce operational friction. By partnering with leading manufacturers and continuously expanding our solutions, we ensure every organization — from small businesses to large industrial facilities — has access to dependable, cost-effective products that meet stringent safety and compliance standards.

Everything we do is driven by a dedication to supporting the people, facilities, and industries that keep our communities moving forward.

With every order, every delivery, and every partnership, we aim to be more than a supplier—we aim to be a trusted ally in your success.

CONNECT WITH US

We're always here to provide more information, help you navigate our product offerings, or discuss how we can serve your specific needs. Contact us with any questions.

Performance Plus™ Side Press Wringer & Mop Bucket Combo

Performance Plus™ 36 Qt. mop bucket and wringer is the perfect solution for cleaning floors, or mopping up messes, with a bilingual "Caution" logo imprinted on the side. Heavy-duty bumpers to prevent damage to walls. 45 degree bend.

Item	Color	Pack
PPSPWMB-Y	Yellow	ea

Rubbermaid® WaveBrake® Institutional Bucket & Wringer

Features non-metal construction ideal for correctional facilities and healthcare. Sink ledge and a pour spout provide control while lifting and emptying. Pour spout prevents water from spilling onto floors while emptying dirty water. Effective wrings a variety of mop sizes ranging from XS-XL (10 oz.-32oz.).

Item	Size	Color	Pack
FG759088YEL	35 Qt.	Yellow	ea

Rubbermaid® WaveBrake® Side Press Bucket & Wringer

Up to 80% less splash. Patented WaveBrake® baffles result in less splashing while mopping and maneuvering, helping to create a safer environment for patrons and staff. Integrated handles and sink ledge; lift and empty the mop bucket easily, with less strain. Designed to last 5 years or 200,000 wringing cycles. Pour spout helps prevent water from spilling onto floors while emptying dirty water, to help floor remain dry and safe. Wringer base is designed to stand upright when removed, minimizes bending. Integrated wringer-guides ensure a secure connection to mop bucket, providing stability while wringing and maneuvering, to help prevent spills. Wringer effectively wrings a variety of mop sizes, ranging from XS - SL (10 oz.-32 oz.). Wringer handle is made from steel, with a comfort grip for long-lasting durability.

Microfiber Mops

Rubbermaid® HYGEN™ Disposable Microfiber Pad

Assists in environmental cleaning, the first step in the disinfection process, by removing 99.9% or more of tested fungi, viruses and bacteria to help improve cleaning efficacy. Removes 99.9% or more of tested fungi, viruses and bacteria with water only.

Compatible with common disinfectants, including quat, chlorine bleach and hydrogen peroxide. Built-in scrubbing stripes are made of polyester to help effectively remove dirt. Stripe design is made of polyester to add scrubbing power. High-quality microfiber penetrates deeper for a superior clean. Fits on HYGEN™ 17" Quick Connect Frame 1863893 & FGQ56000YL00.

Item	Size	Pack
2134282	18"	3/50/cs

Cleaning Supplies

Rubbermaid® HYGEN™ Microfiber Wet Pads

HYGEN™ microfiber is proven to remove 99.9% or more of tested fungi, viruses and bacteria, with water alone. Combining superior microfiber with a built-in scrubber, helps prevent cross-transmission and reduces the risk of healthcare-associated infections. Patented zig-zag design is made of polyester and polypropylene for added scrubbing power. Optimized face material construction balances drag force and cleaning efficacy for an effortless experience. Tested to withstand 200 launderings to CDC guidelines in hot water (160°F) with chlorine bleach. Help reduce cross-contamination with color-coded edge tape that encourage cleaning with different colors by area or task. Absorbent inner layers help hold enough solution to clean up to 250 sq feet. Chlorine resistant dye provides superior color-fastness to help cloths maintain color throughout laundering. Industry-leading loop backing is made of 100% polyester. Securely attaches to frame, even after laundering. Double finished edges and colored edge tape help retain product shape over time, provides added durability.

Item	Size	Color	Pack

8G108024	10 x 8 x 24	.00085 gauge	500/cs

LK® TUF-R® Linear Low Density Gusset Bags

Tuf-R® Linear Low Density Polyethylene (LLDPE) bags provide extra strength and puncture resistance compared to low density bags of the same gauge. Because of this, it's often possible to use a lighter gauge Tuf-R® bag to do the job of a heavier gauge LDPE bag, which saves money and helps to reduce the environmental impact. Tuf-R® bags are made from virgin materials, so they comply with USDA and FDA requirements for use in food applications.

Catering Bowls & Dessert Dishes**WNA Caterline® Pack n'Serve Bowls**

Subtle fluting on bowl and lid enhances the food presentation and package appearance. Tabs on lid and bowl facilitate easy removal and withstand multiple openings. Leak resistant lids with secure rim closure eliminate messy spills. Strategically designed sidewall offers superior strength and functionality on a wide range of applications. Unique stacking system (bowl into lid) allows nesting for stability during transport. Each bowl nests into the lid of the same size and the lid of the next larger size.

Dart® Safe Seal™ Tamper Resistant Bowls w/Dome Lids

These tamper-evident/resistant bowls can be used to store and protect food from tampering. Each container has a TamperAlert Hinge™ with visible seal that, if broken, makes it obvious the container has been opened. Crystal clear containers. Designed to prevent tampering without shrink bands or extra wrapping. The complete perimeter closure preserves freshness and prevents leaks and spills. The specialty lid inhibits the ability to lift it from the base without tearing the hinge. Once the seal is broken, the now two-piece container is easy to re-close and continues to be leak-resistant. Made of recyclable PET; check locally, may not be recycled in your area.

Southern Champion Non-Window White Bakery Boxes

Lock corner, 1 piece box, tuck top, CCK, poly wrapped. Great for cake, pastry and pie. Made of clay-coated kraft paperboard, which is white on the outside and brown on the inside. Each one piece box has an attached tuck-in lid, and can be used to hold and carry a variety of baked goods. The lock corners facilitate assembly and enable the box to be folded flat for storage or transport. Paperboard is thicker and more rigid than paper and can be recycled or composted.

Plastic Carryout / Containers**Anchor Culinary Classics® Premium Hinged Containers**

Wide rib design in the clear, anti-fog vented lid provides maximum visibility of your appetizing food to assure order accuracy and drive impulse sales from grab-and-go displays. Will withstand temperatures up to 230°F when used under heat lamps, in warming units, and microwaves. Stacking will not block the vents and the secure leak-resistant closure eliminates messy spills during handling and in transit. The tear-away convertible lid provides a table-ready presentation that allows your customers to eat from the cut-resistant polypropylene base.

Dart® ClearPac® SafeSeal™ Tamper-Evident Containers

Use to store and protect food from tampering. Crystal clarity and secure closure allow this container to be the star of the show. Each container has a TamperAlert Hinge™ with visible seal that, if broken, makes it obvious the container has been opened. The specialty lid inhibits the ability to lift it from the base without tearing the hinge. Once the seal is broken, the now two-piece container is easy to re-close and continues to be leak-resistant. Designed to prevent tampering without shrink bands or extra wrapping. The complete perimeter closure preserves freshness and prevents leaks and spills.

Empress™ Polypropylene Cups

Empress Polypropylene Cups are made of a thick polypropylene, most often used for cold liquids, but strong enough to hold warm liquids too. Polypropylene has a good chemical resistance, serves as a good vapor barrier, and is fully recyclable. In fact, polypropylene is easier to recycle than almost any other plastic, reducing environmental impact. Extraordinary clarity, and are crack resistant.

Food Service

Empress™ Translucent Cups

The Empress Translucent Cups are made from durable polypropylene. These cups hold individual portions of juice, pudding, desserts, or snack foods and are great for serving small refreshments or offering tasting samples at concession stands and kiosks. The translucency allows for fast product identification, and it shows off colorful samples of beer, iced tea, flavored water, or other beverages. The rolled rim ensures easy sipping and provides an overall satisfying experience.

Food Liners**Gordon Paper White MG Paper**

Economical food wrapping paper. Its light 30# basis weight gives excellent yield. The "MG" is white MG paper refers to machine glazing, a process that imparts a smooth, shiny finish to the paper. This glazing occurs while the paper is being made on the paper machine. The resulting sheet is denser than other papers which aids in retarding moisture and oil penetration through the paper. These papers can be printed with customer logos with reasonable minimums. Applications include sandwich wrap, scale sheets, and pizza box liners.

Ice Melter

Safe Step® Pro Enviro Ice Melter

Formerly Safe Step Pro Series 960 Choice Formula. This environmentally friendly formula is safer for people, pets and lawns when used as directed. It contains our powerful melting catalyst, MG104®, which helps prevent refreezing up to 2 1/2 times longer than conventional ice melters. Melts ice and snow down to -10°F/-23°C. Designated a Safer Choice by the US EPA, a designation granted to products specifically "Safer for People, Pets, and Property when used as directed."

Item	Size	Pack
815411	50 lb. Bag	ea

Safe Step® Pro Plus Ice Melter

The convenience of high-visibility crystals, combined with a powerful magnesium chloride/sodium chloride mix, make this an efficient, affordable ice melt. Blue dye added to visually aid in application. Melts ice and snow down to -7° F/-21° C. Formerly Safe Step Pro Series 370 Econoblend Blue.

Item	Size	Pack
635292	50 lb. Bag	ea

Safe Step® Pro Select Ice Melter

Formerly Safe Step Pro Series 550 Select Blend. The Pro Select contains potassium chloride and sodium chloride. This high-quality, cost-efficient ice melter won't harden or clump when stored properly, making it an excellent choice when you need to keep product on hand. Melts ice and snow down to 0° F/-18° C.

Item	Size	Pack
746486	50 lb. Bag	ea

Miscellaneous Hospitality

Good Day Unwrapped Bar Soaps

This high quality soap comes at a great value which will benefit your bottom line nicely in these tough times. Customers are invited to take advantage of standard presentations #1/2, #3/4, and #1 1/2 with trilingual text in English, French and Spanish, thus facilitating usage throughout the Americas. A specially formulated wrapper surface provides mildew protection and repels water drops. Resulting in a longer shelf life. Match "Good Day" bar soaps with any of our popular liquid amenities in bottles and/or packets at low season pricing.
