Welcome

Versa Solutions is a janitorial and industrial supply company and an authorized distributor of Western Plastics — a leading manufacturer of industrial and foodservice packaging since 1969. This catalog covers the complete Western Plastics line we supply: stretch films and pallet wrap, banding and specialty films, wrapping equipment, foodservice films, aluminum foil, and foil containers.

How to order. Every product is available in multiple sizes, gauges and case packs. Contact us with the products you need and we will quote current pricing, recommend the right spec for your application, and arrange delivery.

Not sure what you need? Tell us what you are wrapping, bundling or serving — we will match you with the right film, foil or container and often find you a lower-cost alternative such as the down-gauged Eco-Max and HYBRiD films.

Inside this catalog

01 Industrial Packaging	Stretch films, banding, specialty films, netting, equipment & tape
02 Foodservice Packaging	Foodservice films, meat & produce films, aluminum foil, containers & dispensers

01 INDUSTRIAL PACKAGING

Stretch wrap, banding film, specialty films, stretch netting and wrapping equipment — everything needed to unitize, protect and ship palletized product.

Stretch Film — Handwrap

HandyWrap	The workhorse extended-core handwrap with disposable easy-grip handles. Widths from 10" to 30", gauges from 60 to 150.
HandyWrap Ultra-Grip	Extended-core handwrap with a tension-control handle — control stretch with a gentle squeeze while preventing friction and heat buildup. Available in the same colors as standard HandyWrap.
Pallet-Tite Cast Handwrap	Pallet stretch wrap on hi-performance cast LLDPE film. Excellent clarity, quiet unwind and consistent cling on a standard 3" core.
Pallet-Tite Blown Handwrap	Blown-film handwrap delivering superior puncture resistance and load-holding force for heavy or irregular loads.
Eco-Max	True metallocene micron film that replaces conventional stretch wrap at a lower cost. Significant down-gauging (13–29 micron) with superior strength, consistency and exceptional clarity — major cost savings and source reduction.
HYBRiD80 Stretch Wrap	Multi-layered cast 12-micron (47-gauge) film with a metallocene additive that performs like an 80-gauge film — typically 20%+ savings under conventional 80-gauge wrap.
HYBRiD80 PLUS	Pre-stretched version of HYBRiD80 for effortless application with less operator fatigue.
HYBRiD80 PLUS Coreless	Pre-stretched HYBRiD80 wound without a core — zero core waste and lighter rolls.
HYBRiD120 Stretch Wrap	Heavier multi-layered hybrid film engineered to perform like conventional 120-gauge wrap for demanding loads.

Stretch Film — Machine Grade

Pallet-Tite Machine Grade	Hi-performance machine-grade stretch film for semi-automatic and automatic pallet wrappers.
Perform XL Machine Film	High-performance machine film engineered for high stretch rates and maximum load retention.
SecuriWrap Film	Opaque machine-grade film that conceals load contents, deters pilferage and provides UV protection.
Identi Film Machine Grade	Tinted machine-grade film on 3" core for color-coding shipments and inventory at a glance.
XP Film	Engineered performance films built to spec for demanding wrapping applications.

Banding & Bundling Film

Extended Core Handwrap	Stretch banding film on a 1" core with built-in extended-core handle — bundle pipe, lumber, boxes and odd shapes without tape or strapping.
EZ Bander Stretch Film	Narrow-width banding film that replaces tape, twine and strapping. No adhesive residue, quick application.
Auto Bander Stretch Film	Banding film engineered for automatic banding equipment — consistent gauge and reliable feed.

Specialty & Identification Films

Identi Film	Tinted color-coded stretch film on extended-core handles — identify product lines, ship dates or destinations at a glance.
Identi Film Handwrap 3" Core	The same tinted identification film on a standard 3" core handwrap roll.
HYBRiD80 Identi Film	HYBRiD80 down-gauged performance combined with tinted identification colors.
UVI Pallet Wrap	Weather Wrap ultraviolet-inhibitor clear stretch film for outdoor storage — protects against photo-degradation while maintaining strength and load integrity through prolonged exposure.
Stretch-It DSF	Static dissipative film for wrapping electronics and static-sensitive components.
Laundry Wrap	Clear wrap sized for commercial laundry — secure linen carts and bundles cleanly.
Logo Film Printed Wrap	Custom-printed stretch wrap with your logo — built-in branding, security and tamper evidence on every pallet.
Cover-All	Top sheeting film that shields palletized loads from dust, dirt and moisture.

Printers Cling	Cling film for the printing and paper industry — protects rolls and skids without adhesive.
Printers Shrink	Shrink film for the printing industry — tight, protective unitizing of printed goods.

Netting & Vented Pallet Wrap

Wrap Net	Stretch netting for loads that need to breathe. Wrap Net I (extended-core hand rolls), II (3" core hand rolls) and III (machine rolls up to 30" x 10,000').
Air-Flow & Air-Flow Premium	Vented pallet wrap that lets air circulate freely — ideal for fresh produce, hot-fill product and anything that must cool or breathe in transit.

Equipment, Dispensers & Tape

Nelson Wrapper	Lightweight aluminum handheld stretch film dispenser — fast, ergonomic hand wrapping.
Evolution Pallet Wrapper	Semi-automatic turntable pallet wrapping machine — consistent wraps, reduced film use and labor.
Pallet Wrap Equipment	Dispensers, handles and wrapping equipment for every hand and machine film in the line.
Bander Carton Sealing Tape	Carton sealing tape for dependable box closure.
Tape Dispensers	Hand-held tape dispensers for fast, clean carton sealing.

02 FOODSERVICE PACKAGING

Cutterbox films and foils, meat and produce films, aluminum containers and safety dispensers for supermarkets, delis, caterers and commercial kitchens.

Foodservice Films

FoodService Film	Superior-quality cling film in cutterbox dispensers with exact-length rolls. Sizes from 12" x 1,000' to 24" x 3,000'.
FoodService Film with Slide Cutter	The same exact-length cutterbox film with a safety slide cutter — faster, safer cuts in busy kitchens.
Prestige Cutterbox Film	Premium Prestige-line foodservice film in cutterbox dispensers.
Mill Roll Film	All-purpose foodservice wrap on economical mill rolls for use with film dispensers.

Meat & Produce Films

All Purpose Meat Film — Hand Wrap	Hi-performance handwrap for supermarket, deli, bakery, meat and produce departments.
All Purpose Meat Film — Machine	Hi-performance machine film for automatic overwrappers in meat and produce operations.
All Purpose Meat Film — Shrink	Shrink version for tight, glossy retail presentation.
All Purpose Meat Film — Heavy	Extra-heavy film for supermarket, deli, bakery, meat and produce applications.
All Purpose Supermarket Film	General-purpose supermarket wrap for every department.
Dual Layer Meat Film	Two-layer meat film combining strength, clarity and oxygen permeability for fresh red color.
Perforated Cling Sheets	Pre-cut perforated cling sheets — grab-and-wrap convenience with no cutting.

Aluminum Foil

Foodservice Aluminum Foil	Superior-quality foil in cutterbox dispensers with exact-length rolls — standard and heavy-duty.
Prestige Cutterbox Foil	Premium Prestige-line aluminum foil in cutterbox dispensers.
El Dorado Foil	Affordable, reliable El Dorado cutterbox foil — the economical choice for everyday foil wrap.
Interfolded Foil Sheets	Pop-up interfolded aluminum foil sheets — one-hand dispensing for speed lines and wrap stations.
El Dorado Interfolded Foil Sheets	Economical El Dorado line of interfolded pop-up foil sheets.

Foil Containers & Lids

Steam Tables & Lids	Full and partial-size aluminum steam table pans with matching lids for catering and holding.
Three Compartment Hi-Divider & Lid	Three-compartment hi-divider container with lid for complete take-home meals.
Oblong Pans	Aluminum oblong pans in a full range of sizes for take-out and baking.
Oval Roaster	Aluminum oval roaster pans for turkeys, roasts and holiday volume.
Rectangular Roaster	Large rectangular aluminum roaster for high-capacity roasting and transport.
Foil Rounds	Round aluminum containers for pies, entrées and take-out.
Flat Trays	Flat aluminum trays for baking, prep and display.
Cake Sheet	Half-size sheet cake pans for bakery and catering.
Dome Lids	Clear 12" dome lids for cater trays and platters.
Lazy Susan	Lazy Susan cater trays for party platters and appetizers.
Silver Pan / Dome Lid Combo	Smooth-wall silver pans with clear dome lids — upscale presentation for prepared foods.
Black & Gold Pan / Dome Lid Combo	Premium smooth-wall black and gold pans with dome lids for elegant catering presentation.
Prestige Foil Rounds	Prestige-line aluminum rounds for premium take-out and catering.
Prestige Foil Steam Tables	Prestige-line aluminum rounds, containers, cater trays and steam tables.

Dispensers & Refill Systems

Wrapmaster	Safety dispenser for foodwrap — enclosed blade cuts film and foil cleanly with no injuries and no tangled rolls.
Wrapmaster Film	Refill film rolls for Wrapmaster dispensers.
Wrapmaster Foil	Refill aluminum foil rolls for Wrapmaster dispensers.
El Dorado Refill Rolls	Economical El Dorado refill rolls for wrap dispensers.
Perforated Dispenser	Two-tier perforated film dispenser — keep two sheet sizes at hand in one station.
Stainless Steel Dispensers	Durable stainless steel film and foil dispensers for the professional kitchen.
